Stated Meetings: Fourth Tuesday of Month 7:00 pm

Notes From The East

October 12th, 2017

Greetings Brother,

I hope that everyone has been enjoying the extended summer like weather!

Some brothers have not received their 150th Anniversary coins, we will be mailing several out to brothers that do not live in the area, along with the dues requests. Brothers living in the area can get theirs at a stated communication in October. After that, we will probably be selling off unclaimed coins.

We have work to get done in the basement, and some landscape work. Not a huge workload, but please contact me if you wish to assist.

We raised Brother Scott Maenner September 19th at the Lodge. It was a fun degree, and thankfully we had visiting brothers to help put it on. Brother Dewey did a great job setting it up, and taking care of the meal afterwards.

The Districts Meeting was on Saturday October 7th at the Madison Masonic Center. I believe that we had the largest attendance there. I will have more to say on this later, I had to leave mid meeting due to illness.

The Area School of Instruction was on Monday October 9th at the Janesville Masonic Center. Our Lodge was responsible for the first part of the EA Degree, and my voice was failing during the school. Luckily enough, we have a very patient District Lecturer (Brian Duoss) that put on a good school. Hopefully next time we can get better attendance, the schools are great for learning and reinforcing the rituals etc.

Craftmans Club is on Tuesday October 17th at 5:30 pm, only plans right now are dinner at Milton Family Restaurant.

Stated Communication is Tuesday October 24th at 7:00 pm. Potluck dinner at 6. We will be discussing next year's officers, (Make sure you get there if you want to be one, or not be nominated to be one), a stairlift possibilities, and regular business.

Please bring in food/kitchen/holiday items to the lodge before Thanksgiving. We will be donating to the St Mary's Christmas Food event.

Please contact me with questions, or information to update the computer system.

Thank you,

Pat Garvin WM
