Notes From The East

January 21st, 2018

Greetings Brother,

I hope that you and your family are enjoying the new year! Sorry for being late...

Brother Chet Huber lost his battle with cancer, and went to meet the Grand Architect on December 8th. Keep the Huber family in your thoughts and prayers.

The annual Christmas party and installation went well. The weather held up, so more families were able to attend. We had a visit from Santa, he did a good job with young and young at heart.

The District Meeting was on Saturday January 6th at the Jefferson County Lodge. Deputy Grand Master Dist 9 Jim Gajdosik-PM, came up with a good meeting.

We are had a First Responders Meal on Tuesday January 16th. This was a free meal for our area First Responders. Attendance was okay, but can be better with more notifications to local agencies. I take the blame on that. We served about 30 meals, including the delivered meals to the jail and dispatch. Thanks to LeRoy, Brian (Dewey), Gary, Fran, and Bill for helping make it a success!

I attended the annual Secretaries conference in Madison on January 20th. It had some good information, but the technology is still a little sketchy.

Stated Communication for January is on Tuesday January 23rd at 7:00 pm. The dinner plans are to heat up leftovers from the First Responders meal, and a few new items. We will be discussing preparations for the Fish Fry, and other events to be planned.

The Lodge voted to get a stairlift for the Temple, for the flight of steps to the second floor. I am working on it, but it appears that regulations and greed might make the stairlift too expensive to get.

We recently had two brothers end up in the hospital. Brother Duane Huber is back home and recovering. Brother Al Huber is also back home and is apparently doing well.

With the loss and ill Brothers in mind, we need to all step up in helping the lodge stay going strong. Just paying your dues does not keep all the donations, repairs, events and everything else needed to keep our lodge going. Attend Lodge meetings! Help with the fish fry! We will need a fry cooker to fill in for Brother Duane, and we need help with preparation and serving and other areas as needed.

Step up Brothers!

Please contact me with questions, or information to update the computer system.

Thank you,

Pat Garvin WM
